All products purchased from or supplied by Pipelife are subjected to terms and conditions set out in the contract, order acknowledgement and/or bill of lading.

Pipelife warrants only that its product will meet those specifications designated in such contracts, order acknowledgements, and/or bills of lading. All other information including that herein, supplied by Pipelife, is considered accurate but is furnished upon the express conditions that the customer shall make his own assessment to determine the product's suitability for a particular purpose.

Pipelife makes no other warranty either express or implied, regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any products shall be merchantable or fit for any particular purpose; or that the use of such other information or product will not infringe any patent.
